

The Unicorn Song

Capo 2

A long time ago when the earth was green
There was more kinds of animals than you'd ever seen
They'd run around free while the world was being born
But the loveliest of them all was the u--ni--corn

Chorus:-----

There was green alligators and long necked geese
Some humpy back camels and some chimpanzees
Cats and rats and elephants but sure as you're born
The loveliest of all was the u--ni—corn

G C D G

But the Lord seen some sinnin' and it caused him pain
He said "Stand back - I'm gonna make it rain
So hey brother Noah, I'll tell you what to do,
Build me a floating zoo."

Chorus

Now Noah was there and he answered the callin'
And he finished up the ark as the rain started fallin'
And he marched in the animals two by two
And he sung out as they went through

Chorus

Well, Noah looked out through the driving rain,
But the unicorns were hiding - playing silly games,
They were kickin' and a-spashin' while the rain was POURIN'
Oh them foolish uniCORN.

Chorus

And then the ark started moving and it drifted with the tide,
And the unicorns looked up from the rock and cried,
And the water came up and sort of floated them away,
That's why you've never seen a unicorn to this day.
