

# Yoga Pants – Tim Hawkins

Tuning: E A D G B E    Capo No

C  
My wife is out for 3 days to visit her mom  
I was supposed to cook and clean while she was gone  
Somehow she never buckles under all the demands  
I had to know her secret, I had to understand

F  
Well, I thought it might be coffee but that gives her the shakes  
It might be soap operas but she says their too fake

C  
It's not the car she drives or what she puts in her hair

G#    G  
I realized it's got be something she wears.

[Chorus]

F  
Yoga pants, she wears them all day  
C  
Yoga pants, hmmm.... at work and at play  
F  
Yoga pants, what's all the fuss  
G#    G  
What makes them so special that they keep them from us?

C  
Well any normal person would leave it alone  
But I'm not a normal person and nobody was home  
My wife was out of town and the kids were outside  
I went into the bedroom and decided I would try...

[Chorus]

F  
Yoga pants, so stretchy and thin  
C  
Yoga pants, feels like my own skin  
F  
Yoga pants, where you been all my life?  
G#    G  
I've never done Yoga but these make me wanna try...

F  
Yoga pants, so soft and so sleek  
C  
Yoga pants, feels good on my cheeks  
F  
Yoga pants, these are the best...  
G#    G
